## **Resolution 2024-01**

**WHEREAS**, Drawing the Ohio General Assembly and Congressional district lines has been controlled by Republicans who have ignored the will of the voters twice - and the Ohio Constitution; and,

**WHEREAS**, Ohio's General Assembly and Congressional lines are the most gerrymandered in the country; and,

**WHEREAS**, Ohioans are fed up with the illegal supermajority of Republicans in the General Assembly passing laws that are discriminatory and hateful; and,

**WHEREAS**, the Citizens Not Politicians organization has taken up the task to collect signatures to put a ballot issue on the November 2024 ballot that would remove politicians from being able to draw illegal maps; and,

**WHEREAS**, the Citizens Not Politicians organization is asking the Ohio Democratic Party and its members – including county parties – across the state to help gather signatures to put the issue on the ballot for the November 2024 election; and,

**WHEREAS**, the only way to get fair legislative and congressional maps in Ohio is to garner enough signatures and then pass this amendment in November 2024.

**NOW, THEREFORE, BE IT RESOLVED:** The Erie County Democratic Party Executive Committee fully endorses the Citizens Not Politicians Constitutional Amendment and will assist with the passage of the amendment for the November 2024 ballot.
