About this event

Come join us as we knock on doors in Sandusky. In honor of our country celebrating its 250th anniversary, we are holding a weekend of action canvass! Marcy is fighting to lower costs, protect social security, and defend healthcare. That's why as we celebrate this 4th of July holiday, we will be knocking on the doors of voters to hear what issues matter most to them.

Please bring comfortable walking shoes, water, a charged phone, and an enthusiastic spirit!
